### **New Cork and Glass Positions Filled at M.A. Silva Corks, USA**

**Santa Rosa, CA**—To accommodate the recent addition of glass to its product line, M.A. Silva Corks, USA is pleased to announce the appointments of Richard Du Bois, longtime wine industry professional, as the new Product Specialist-Glass Bottles, and Terry Borges as Sales Representative for cork and glass. With over 20 years' management experience in winery operations, Du Bois brings well-honed industry expertise in glass and bottling to M.A. Silva Corks, USA. Borges, who also comes from an extensive career in the wine industry, has particular expertise in cork and glass sales and supplies.

Richard Du Bois has hands-on management experience with the bottling process including corks, bottling logistics, glass supplies, and production across a variety of high end wineries and large wine corporations including Allied Domecq Wines, Domaine Chandon, Buena Vista, and Simi wineries. Du Bois will be an excellent asset to this integrated cork-and-glass component of M.A. Silva Corks, USA, assisting customers with technical expertise and solutions for bottle products and operations along with pre-sales advice for both customers and the M.A. Silva Corks, USA sales team.

Terry Borges' expertise and experience in national sales and management in cork, glass, and wine accessory supplies across a wide range of wine consulting and distribution supply firms across the U.S., are a natural fit for M.A. Silva Corks, USA and will be an ideal complement to Richard Du Bois as he leads the expansion of the cork and glass products. Together Du Bois' and Borges' experience will prove indispensable in assisting customers with integrated cork and glass solutions as they anticipate problems, reduce risks, and thus realize savings with quality products. It's all part of M.A. Silva Corks, USA Perfect Fit Guarantee.

"Glass customers are extremely happy with our ability to deliver excellent quality glass on time," remarked Neil Foster, owner of M.A. Silva Corks, USA. "This is a requirement that so many other companies miss."

By adding high quality glass bottles to their line of products, M.A. Silva Corks, USA is now the only manufacturer of both high quality glass and natural cork. This recent addition to the product line makes

a perfect fit. Clients are assured full peace of mind knowing they can order corks and glass together, obtain detailed and expert information from any M.A. Silva Corks, USA staff member, and expect timely, paired delivery.

Offering the best quality bottles available, M.A. Silva Corks, USA has taken particular care to put in place the same high quality production techniques and uncompromised standards for its packaging as it does for its corks. Customers have come to expect high quality corks, and there is nothing less for its bottles and cartons.
